E.B. Morse Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging environment. We demonstrate our vision and mission by engaging our staff in continuous professional development, and providing our students with rich and explicit instruction. It is our goal to motivate and empower students to accomplish individual goals within rigorous curricula. The faculty and staff at E.B. Morse Elementary believe that learning has no boundaries. We offer a choice of Montessori education for all grade levels. Our theme, "Wild About Learning", set the tone for a wide array of learning opportunities and explorations for our students. We received the Palmetto Silver Award in 2011-2012 and 2013-2014. In 2014, E.B. Morse Elementary became a Project Lead The Way School. This program engages students to the wonders of science, technology, engineering, and math. Student learning and success are the foundation for all decisions and programs at E.B. Morse Elementary. The faculty and staff work diligently to provide innovative teaching strategies and standards-based instruction to ensure that our students acquire the skills needed to grow to greater academic heights. In addition, opportunities are provided for students to participate in Curriculum Nights, Family Fun Nights, tutoring sessions, and Career Day. Students are celebrated for their achievements frequently through MAP growth celebrations, PBIS dances, an AR Splash Bash, Principal Pal parties, and our annual Awards Day program. At E.B. Morse Elementary School we recognize that education is a team effort. Our dedicated PTO, SIC, volunteers, parents, community members, and business partners continuously provide many contributions of time, resources, and support. Please continue to partner with us as we continue to strive for academic excellence. Thank you for your support in helping in the development of our future South Carolina graduates and world class leaders. We had a great 2014-2015 school year, and we look forward to greater achievements in the future!
